## Verse 1:

I look into the moment like Iâ€™m standing at the edge  
But no ones gonna turn me around  
Just one more step, I could let go  
Oh and in the middle, I hear the voices  
And theyâ€™re calling for me now  
But nothingâ€™s gonna wake me now  
Cause Iâ€™m a slave to the sad heaven

## Chorus:

And theyâ€™re calling,  
Donâ€™t stop, no, Iâ€™ll never give up  
And Iâ€™ll never look up, just hold your head up  
And if it gets rough, itâ€™s time to get rough  
They keep saying:  
Donâ€™t stop, no oneâ€™s ever enough  
Iâ€™ll never look up, never give up  
And if it gets rough, itâ€™s time to get rough  
But now falling, falling, falling  
Falling, falling, falling, falling  
Falling, falling, falling, falling

## Verse 2:

I look up and down,  
And I can feel the eyes, theyâ€™re watching us so closely  
oh  
Iâ€™m trying not to make a sound  
Cause Iâ€™ll be found out some high oh

## Chorus:

So keep calling,  
Donâ€™t stop, no, Iâ€™ll never give up  
And Iâ€™ll never look up, just hold your head up  
And if it gets rough, itâ€™s time to get rough  
They keep saying:  
Donâ€™t stop, no oneâ€™s ever enough  
Iâ€™ll never look up, never give up  
And if it gets rough, itâ€™s time to get rough

Step into the fire feeling higher than the truth  
(Iâ€™m falling)  
I can feel the heat but Iâ€™m not burning

(But now Iâ€™m falling)  
Feeling desire, feel the tired Â…  
(Iâ€™m falling)  
Feels like Iâ€™m falling, yeah  
I can hear them calling

Step into the fire feeling higher than the truth  
(Iâ€™m falling)  
I can feel the heat but Iâ€™m not burning  
(But now Iâ€™m falling)  
Feeling desire, feel the tired Â…  
(Iâ€™m falling)  
Feels like Iâ€™m falling, yeah  
I can hear them calling  
(Now Iâ€™m falling)

Falling, falling, falling  
Falling, falling, falling, falling  
Falling, falling, falling, falling  
Oh and now Iâ€™m falling

Falling, falling, falling  
Falling, falling, falling, falling  
Falling, falling, falling, falling  
Oh and now Iâ€™m falling

Falling, falling, falling, falling  
Fall yeah  
Falling, falling, falling, falling  
Fall yeah

Into the fire feeling higher than the truth  
(Iâ€™m falling)  
I can feel the heat but Iâ€™m not burning  
(But now Iâ€™m falling)  
Feeling desire, feel the tired Â…  
(Iâ€™m falling)  
Feels like Iâ€™m falling, yeah  
I can hear them calling for me  
(Now Iâ€™m falling)

Into the fire feeling higher than the truth  
(Iâ€™m falling)  
I can feel the heat but Iâ€™m not burning  
(But now Iâ€™m falling)  
Feeling desire, feel the tired Â…  
(Iâ€™m falling)  
It Feels like Iâ€™m falling, yeah  
I can hear them calling for me  
(Now Iâ€™m falling)

Never look up, never give up  
Never look up, never give up  
Never look up, never give up  
Iâll never give up  
Iâll never give up

Never look up, never give up  
Never look up, never give up  
Never look up, never give up  
Iâll never give up  
Iâll never give up

Never look up, never give up  
Never look up, never give up  
Never look up, never give up  
Iâll never give up  
Iâll never give up

Never look up, never give up  
Never look up, never give up  
Never look up, never give up  
Never give up  
Never give up

Never look up, never give up  
Never look up, never give up  
Never look uÃiÃÃ—, never give up  
Never give up  
Never give up

Never look up, never give up  
Never look up, never give up  
Never look up, never give up  
Iâll never give up  
Iâll never give up
