Chorus:

Check out my baby girl the way she moves with her  
body  
She kiss and caress your back like they do in those love  
scenes  
She give me thee sweet sensations all over my body  
Movin` a with your body is what she do to get naughty  
(repeat)

Verse:

I canâ€™t pretend in my heart, that I didnâ€™t like it.  
We got a little tippy girl, and things got exciting  
And then I took you in my room,  
You whispered what youâ€™re gonna do,  
Then we started with some candle lights,  
And in the end we never even got to say good bye,

Pre-Chorus:

She doesnâ€™t know, how much Iâ€™m feeling for her  
We used to talk, and now Iâ€™m searching for her  
I tried to call, and it seems she changed her number  
And girl Iâ€™m wondering, wondering where you are.  
(Repeat)

Chorus:

Check out my baby girl the way she moves with her  
body  
She kiss and caress your back like they do in those love  
scenes  
She give me thee sweet sensations all over my body  
Movin` a with your body is what she do to get naughty  
(repeat)

Verse 2:

I canâ€™t remember the last time that I felt this way  
I been playing for too long and Iâ€™m tired of my  
games.  
I got a bunch of girls calling my phone  
But itâ€™s you that I wanna take home  
And I wanna get close to you.

Then together we can do what we love to do.

Pre-chorus:

She doesnâ€™t know, how much Iâ€™m feeling for her  
We used to talk, and now Iâ€™m searching for her  
I tried to call, and it seems she changed her number

And girl I'm wondering, wondering where you are.

(Repeat)

Chorus:

Check out my baby girl the way she moves with her  
body

She kiss and caress your back like they do in those love  
scenes

She give me thee sweet sensations all over my body

Movin` a with your body is what she do to get naughty

(repeat)

Interlude:
