I've taken all the notes you gave me
and built a paper plane to carry this broken heart and
sleeping pills...
The next morning i'll be gone
as autumn sends its best wishes the search is over and
im still missing.
From up here perfect seems oh so wrong.
This shattered glass lines the cracks in the floor but the
bullet missed its mark.
The record skipped...and the needle cut your lips.
But i'll miss you when you're gone.
Your ink filled eyes, they blink
and the tears stain your porcelain cheeks a cinematic
smile is kind on the eyes...
we rehearse and we rehearse these heartfelt lines(lies)
your lipstick still haunts me.
Its ghost on my collar.
Red and white they collide.
Bruises fade but your love stains, stains. Stains. Stains
me.
Yeah baby its too bright in this ballroom tonight so turn
out the lights.
I can see the silhouette of hurt in yout eyes and the
knives in your back.
God knows i slipped, saying sorry with these marks on
my wrists.
God knows i slipped.
Saying sorry. I'm sorry, I'm sorry, I'm sorry.
This shattered glass lines the cracks in the floor but the
bullet missed its mark.
The record skipped...and the needle cut your lips.
But i'll miss you when you're gone.
