When you call me, I'll be waiting  
Outside my bedroom, on top of the stairwell  
It's not like me, to be early  
But I'll wait quietly, pretend like you hurried

Cuz when I hear that noise, I feel so alive  
When I hear your voice, oh how nice  
I feel alright

[CHORUS]

Moving cuz I want to, bags tied to my feet  
You look so worried, the weights too much for me  
It's not too much for me

I'll be ready, hat and coat on  
But maybe you saw my bandaids & bruises  
I could see that, you were nervous  
But left for reasons before you found me

And when I hear that noise, I feel so alive  
When I hear your voice, oh how nice  
I feel alright

[CHORUS]

Meet me at the river,  
I'd love if you could go  
Meet me at the river,  
where bags come to float

Oh I've seen my troubles boil up and grow  
but with time they loosen, they loosen their hold

[CHORUS]
