It wasn't obvious at all
I couldn't see it cross the hall
I wouldn't like it if I did
Maybe I did notice it

I thought you were the surer one
I never thought you'd come undone
Maybe it had crossed my mind
Maybe I chose being blind

I jumped the mainland on a boat
Made sure the ocean was my moat
I said I wouldn't let you in
I threw bridge down like a sin

How come we change in what we want
It's like we do it for the fun
I'm going backwards on the run
It's like I do it for the fun

Oh how I loved you, with such great ease
Oh how I loved you, with guarantee
Oh how I loved you, with such great ease
Oh how I loved you, when I was I was

[CHORUS]

Just like the stories, I let you fool with me
I wanted all of you, to have you back to me (2x)

It wasn't obvious at all
I couldn't see it cross the hall
I wouldn't like it if I did
Maybe I did notice it

I saw your bends like everyone
But see, I saw them through the sun
I couldn't see quite clearly
I made excuses to ease me

Oh how I loved you, with such great ease
Oh how I loved you, with guarantee
Oh how I loved you, with such great ease

Oh how I loved you, when I was I was

[CHORUS]

Why do you come back
To where I'm hiding
In the tall trees
I guess I wore colors, so you'd find me

When you liked me
I stood high like tall trees
When you liked me
I was queen of all things

[CHORUS]
