When you look at me darlin'
I feel my heart start to falling
just for you
just for you
When you hold me close now baby
I can tell my minds going crazy
just for you
just for you
There's so many things about you I could say
but if you want to know what took my breath away
It was the

Last night of spring
first day of summer
laying in the wet dew right next to you
I was falling faster than I could stand up
just looking at you I was falling in love
We were melting in summer heat
on the last night of spring

Now I know that times will be tough
it wont be easy as it was
when we first
loved each other
we're going to fight we're going to disagree
oh but honey we
love each other
if you ever feel a little distant from me
oh baby all you gotta do is just take me
back to the

A sheet of stars looking down on us
make us look small but we were apart of
