Now tell me again
What you have been through
Because when you talk
Mystery leads you

Yes you've lost
Your line of thought
It's the point you makes that sounds odd

Lose your speed
I've lost count
You're breaking through the wall of sound
Lose your speed
Please slow down
I wanna be who you are
Somehow

I tried to give up
But that wasn't easy
You are too far ahead
Your words never reached me
We have become so close
You decided to run away
Now I'm involved
In the suspicious game you play

I wanna be where you are
I wanna be where you are
I wanna be where you are again

I wanna be where you are
I wanna be where you are
I wanna be where you are

Lose your speed
I've lost count
You're breaking through the wall of sound
Lose your speed
Please slow down
I wanna be who you are
Somehow

I am everything
You wish you could be too
We are two different dreams
Performing as one truth

I wanna be where you are
I wanna be where you are
I wanna be where you are again

I wanna be where you are
I wanna be where you are
I wanna be where you are again
