You like a passenger  
All the city is flashing by  
On the phone it's a messenger  
But I never wanna say goodbye

Floating on the side walk  
Is this the right side of the street  
I can cut by the smooth talk  
But I can't stand the heat

Let it be (2x), let it go (2x)  
Let it fly, on it's own

There are many things to say,  
But I am satisfied today,  
Call back tomorrow  
Hear the sweetness in your voice,  
But I don't really have a choice,  
Call back tomorrow

Silhouette of a man  
Right outside my door  
He is coming with a new plan  
But I've heard it all before

Let it be (2x), let it go (2x)  
Let it fly, on it's own

There are many things to say,  
But I am satisfied today,  
Call back tomorrow  
Hear the sweetness in your voice,  
But I don't really have a choice,  
Call back tomorrow

On the other side  
Breathes my natural high  
No need to put up a fight  
Got a castle in the sky

I think I've had enough (8x)

There are many things to say,  
But I am satisfied today,  
Call back tomorrow  
Hear the sweetness in your voice,  
But I don't really have a choice,  
Call back tomorrow
