Say you mean it
(Say you do)
Say you don't
(Or maybe not)

Say it's stupider, be the genius
(Make your mind)
Or be a clown
(Open wide)

Be the witchdoctor and cast your spell around
(Now you see)
Underground
(The best of me)
It's so beautiful and

She's my wondergirl, superstar attraction
Come on wondergirl, let's start some action
(Meant to be)
Is this destiny?

Raise the mountain
(Scale the hill)
Make your find
(Not an easy time)

Build a four lane bridge
Lane with one hand tied behind
(It's destiny)
Say you're mine
(And you feel it too)
Say it beautiful and

She's my wondergirl, superstar attraction
Come on wondergirl, let's start some action
She's my wondergirl, superstar attraction
Come on wondergirl, let's start some action
Some reaction, say you mean it
