Friends will agree with a pregnant pause  
And silently draw out their claws  
It's hard to say no to your face  
Running away's as easy as running in place

Yes, means it's hard to say no to you  
And that means I'll do things  
I don't want to

These are a few of my dangerous things  
You'll have to cut me in two to count my rings  
It's hard to say no to your face  
Running away's as easy as running in place

Yes means it's hard to say no to you  
And that means I'll do things  
I don't want to

After writing down my darkest thoughts  
I should feel just fine  
Anyway, would you  
Wanna hear me whine?

All of the bad is good in disguise  
Hear me say, okay  
Look in my eyes  
Look in my eyes

Yes, means it's hard to say no to you  
That means I'll do things  
I don't want to

Yes, means it's hard to say no to you  
And that means I'll do things  
I don't want to
