Friends will agree with a pregnant pause
And silently draw out their claws
It's hard to say no to your face
Running away's as easy as running in place

Yes, means it's hard to say no to you
And that means I'll do things
I don't want to

These are a few of my dangerous things
You'll have to cut me in two to count my rings
It's hard to say no to your face
Running away's as easy as running in place

Yes means it's hard to say no to you
And that means I'll do things
I don't want to

After writing down my darkest thoughts
I should feel just fine
Anyway, would you
Wanna hear me whine?

All of the bad is good in disguise
Hear me say, okay
Look in my eyes
Look in my eyes

Yes, means it's hard to say no to you
That means I'll do things
I don't want to

Yes, means it's hard to say no to you
And that means I'll do things
I don't want to
