you're oozin' on my skin i had to let you in i know this is
insane but i want to play your game
i want to play your game(X2)i said i want to play your
game i want to play your game i want to play your
game.

Now don't you stop stop, sounds more like liquid

ove me i'm findin' things i cannot see i want to take it
over,
now don't you stop stop(X2)
