My soul proclaims Your greatness, Lord
Rejoicing in my Saviour
Your mercy belongs to those who fear Your Son
His blessings You have given them forever

And holy is His name, holy is His name

You alone have done great things
I can't boast of anything
Mighty one, and King of kings, Jesus
You alone have done great things
By Your living word in me
Mighty One, and King of kings, Jesus

My soul proclaims Your greatness, Lord
Rejoicing in my Saviour
Your mercy belongs to those who fear Your Son
His blessings You have given them forever

And holy is His name, holy is His name

You alone have done great things
I can't boast of anything
Mighty one, and King of kings, Jesus
You alone have done great things
By Your living word in me
Mighty One, and King of kings, Jesus

And it's Your name we're shouting out
Shouting out loud

It's Your name we're shouting out
Shouting out loud
And it's Your name we're shouting out
Shouting out loud
It's Your name we're shouting out
Shouting out loud

And it's Your name we're shouting out
Shouting out loud
It's Your name we're shouting out

Shouting out loud
It's Your name we're shouting out
Shouting out loud
It's Your name we're shouting out
Shouting out

You alone have done great things
I can't boast of anything
Mighty one, and King of kings, Jesus
You alone have done great things
By Your living word in me
Mighty One, and King of kings, Jesus

And it's Your name we're shouting out
Shouting out loud
It's Your name we're shouting out
Shouting out loud
It's Your name we're shouting out
Shouting out loud
It's Your name we're shouting out
Shouting out
