Where did you go?
Jesus, where did you go?
You flew into the clouds
We worship and we doubt
Now we're leaping for joy and singing

So where are you now?
Tell me where are you now
Headed in the skies
Behind the poor man's eyes
Awaited and asserted
Until you take us home
Until you return

I'll leave a light on for you, my Lord
I'll leave a light on for you, my Lord
Your Spirit inside, burning bright
I'll leave a light on

Here you are found
Jesus, here you are found
In the breaking of the bread
The waking of the dead
In our dying and our rising
Until you take us home
Until you return

I'll leave a light on for you, my Lord
I'll leave a light on for you, my Lord

Your Spirit inside, burning bright
I'll leave a light on

Give me oil in my lamp
Keep me burning 'till the break of day
Give me oil in my lamp
Keep it burning 'till the break of day

Give me oil in my lamp
Give me oil in my lamp
Keep me burning 'till the break of day

I'll leave a light on for you, my Lord
I'll leave a light on for you, my Lord
Your Spirit inside, burning bright
I'll leave a light on

I'll leave a light on for you, my Lord
I'll leave a light on for you, my Lord
Your Spirit inside, burning bright
I'll leave a light on

I'll leave a light on
(Shine on through the darkness)
I'll leave a light on
(Shine on, shine on)
