All the words start
Spilling in time
I can't stop them from flying in
I'm just trying to get them back
Without you looking at me
Seeing all the black

How many times, do you think of her
When your heart is supposed to be with mine
So listen my love, my love
My love, life is alone

My love, uhm stop
My love, stop
My desire, stop
Stop
My desire, stop, stop
My desire, stop
My love

I care so much if I wasn't lying here
Cause you think of her, think of her,
Think of her
I can't stop, my love
I can't stop, stop
I can't stop, my love
I can't stop

Oh, stop, stop
Oh, stop, stop
Oh, stop, stop

I can't stop, stop
I can't stop, stop
