Your love is extravagant  
Your friendship, so intimate  
I find I'm moving to the rhythms of Your grace  
Your fragrance is intoxicating in the secret place  
Your love is extravagant

Your love is extravagant  
Your friendship, so intimate  
I find I'm moving to the rhythms of Your grace  
Your fragrance is intoxicating in the secret place  
Your love is extravagant

Spread wide in the arms of Christ is a love that covers  
Sin  
No greater love have I ever known; You considered me  
a  
Friend  
Capture my heart again, capture my heart again

I find I'm moving to the rhythms of Your grace  
Your fragrance is intoxicating in the secret place

Your love is extravagant

Spread wide in the arms of Christ is a love that covers  
Sin  
No greater love have I ever known; You considered me  
a  
Friend  
Capture my heart again, capture my heart again

Oh stir up my heart Oh God  
Light the fires within  
That my heart may burn for You and You alone  
Be Lord of my life  
You're my Lover, my Shelter, my Father  
The only Peace I'll ever find is in You  
The only Joy I'll ever find is in Your arms  
Sweet Jesus

I may live with You

Help me die with You  
Let me rise with You
