Intro:

Yeah, Yeah, Yeah, Yeah
Aooooooh,
Oooo, Ooo, Ooo
Yeah Yeah

Chorus:

I can be your lady tonight
(If you really want me to)
I can be your lady today
(If you really want me to)
I can be your lady 24/7 baby
I can be your lady Yeah oooo

Verse1:

Dont worry bout a thang
cuz ya lady got ya back
I would hold you down
I would hold you down
even if you outta town
im faithful, & im honest & Im loyal
I can be your friend
Yes, I will always be by ya side (oooo)
These other girls don't know how to treat a guy
(No no they dont)
They walk around & they wanna see'em lie
(Yeah yes they do)
but imma cater to my baby cuz he's mine
Yes I learned that from destiny's child

Chorus:

I can be your lady tonight
(If you really want me to)
I can be your lady today
(If you really want me to)
I can be your lady 24/7 baby
Yes I can be ya lady yeah (oh oh oh oh)

Hook:

I can be, I can be, I can be, I can be ya lady
I can be, I can be, I can be, I can be yo baby
I can be, I can be, I can be I can be (Yes) I can be ya

lady yeah oh oh oh oh

Verse 2:

You say that been stressing alot boy
(well let me soothe you)
massage ya back, make yo dinner plate yeah
(& its just us two)
show you all the love im having for you
cuz I think that Im falling for you (yooou)
I look up to the sky cuz you always on my mind
you shine brighter then the stars every billion in the sky
you treat me with respect & you aint scared to show ya
love
so I would always be by your side oh oh oh oh

Hook:

I can be, I can be, I can be, I can be ya lady
I can be, I can be, I can be, I can be yo baby
I can be, I can be, (Yes) I can be, I can be, I can be ya
lady yeah oh oh oh oh

Chorus:

I can be your lady tonight
(If you really want me to)
I can be your lady today
(If you really want me to)
I can be your lady 24/7 baby
Yes I can be ya lady yeah (oh oh oh oh)

Outro:

I Look to the Left
I still, I dont see ya girl
I look to the right
I still I dont see ya girl
I look in the mirror
I say there goes your lady
There goes ya lady holding, holding down my baby
yeah
I Look to the Left
I still, I dont see ya girl
I look to the right
I still I dont see ya girl
I look in the mirror
I say there goes your lady
I can be your lady holding, holding down my baby yeah
