Morning

Some things don't go your way
Sometimes I want you to go away

~Cause the closer I get
There's a way that she feels
Turn my eyes from the sun
Afraid it might burn me like it does
Every time
Hung your head in shame, baby
Said who's to blame?
Forget about them anyway
Mornin' Sun
It don't burn my eyes
It might just burn this world inside

~Cause the closer I get
There's a way that she feels
Shade my eyes from the sun
Afraid it might burn me like it does
Every time
Hung your head in shame, baby
Said who's to blame?
Forget about them anyway
Mornin' Sun
It don't burn my eyes
It might just burn this world inside
