Hey, hey, hey, hey Muriel
Where you goin'™ with your eyes so down tonight?
Put on all your pretty makeup just to say
"No one likes me anyway"
And then you run on off
Hope I find you on your own
Hope I find you cryin'™ on your own

Feel rejected, torn and tattered
Stumble through the day worn and battered
Said you™ I never make it in this world alone

Hey, hey, hey, hey Muriel
Sat by your side tonight
Well, you struck up a conversation with yourself
I™ m tired of being your no one
So no, not tonight
So dry those tragic eyes
And maybe one day you™ I see the light

Torn and tattered
Stumble through the day worn and battered
Who said you™ re gonna face this world alone?
