Destination Unknown

I left my job my boss my car and my home

I'm leaving for a destination i still don't know

Somewhere nobody must have duties at all

And if you like this you can follow me

So let's go, follow me, and let's go

To a place where we belong

And leave our troubles at home

Come with me, we can go

To a paradise of love and joy at destination unknown

Now i won't feel those heavy shoulders no more

My life got better now i finally enjoy

Yes all the people wanna come here and so

Come on and join us you can do that now, let's go

Follow me and let's go

to the place where we belong and leave our troubles at home

come with me we can go,

to a paradise of love and joy at destination unknown
known known known known unknown

destination unknown

Destination unknown unknown

Destination unknown follow me and lets go

Destination unknown follow me and lets go

Destination unknown follow me and lets go

To a place where we belong and leave our troubles at home

Come with me we can go

To a paradise of love and joy at destination unknown
