feat. Jay Sean

Chorus:

Baby you can have the world,  
Girl I promise, girl I promise  
This love ain't for no other girl,  
Baby I promise, baby I promise  
Promise, promise  
Girl I promise, promise  
Tonight's gonna be all yours

Verse 1:

It's the perfect time to take or lose yourself without  
your mind now  
You got my attention, bring your body here in my  
direction

Pre-chorus:

Give me your hand we can dance through the night,  
night, night  
Nobody else matters, it's just you and I

Chorus:

Baby you can have the world,  
Girl I promise, girl I promise  
This love ain't for no other girl,  
Baby I promise, baby I promise  
Promise, promise  
Girl I promise, promise  
Tonight's gonna be all yours

Verse 2:

Whatever you imagine, I can make it happen  
Travel round the planet, let-let-let's go  
I love all your fashion,  
Got me in a trance and I can't help but want you more

Pre-chorus:

Give me your hand we can dance through the night,  
night, night  
Nobody else matters, it's just you and I

Chorus:

Baby you can have the world,  
Girl I promise, girl I promise  
This love ain't for no other girl,  
Baby I promise, baby I promise  
Promise, promise

Outro:

So it's just gonna be you and I  
And you should know we'll own the night  
Baby you can have the world  
Girl I promise, á<sup>1</sup>—romise  
Tonight's gonna be all yours  
I promise baby  
I promise baby  
I promise baby  
I promise baby
