I, I wasn't even searching for love
That's usually right when it creeps up on you
And i know in my heart it's true
Oh yeah, Oh yeah

Boy you got my attention
What's up
My heart is beating
This feeling's got me open so much
I think i'm dreaming
Got my hands way up
I surrender to love

What a feelin'
To let it all go
What a feelin'
I'm losing control
What a feelin'
Feels like i'm on the top of the world
What a feelin'
What a feelin'

Mmm, I,
I used to think i'd never fall in love
It's like my favorite star
I used to stare at every night
Came down from the sky
Oh yeah

Oooh i love the way you touch,
My heart is beating
Boy i just can't get enough
You've got me speechless
Got my hands way up
I surrender to love

What a feelin'
To let it all go
What a feelin'
I'm losing control
What a feelin'

It's like i'm on the top of the world
What a feelin'

What a feelin'
To let it all go
What a feelin'
I'm losing control
What a feelin'
It's like i'm on the top of the world
What a feelin'
What a feelin'

What a feelin' x3

What a feelin'
To let it all go
What a feelin'
I'm losing control
What a feelin'
It's like i'm on the top of the world
What a feelin'

What a feelin'
To let it all go
What a feelin'
I'm losing control
What a feelin'
It's like i'm on the top of the world
What a feelin'

What a feelin'
