Where did we go wrongWe had all the magic to put us  
on our wayAnd all the tragedy that we ever want to  
seeBut you know I'm rightWhen I say the best is yet to  
come

Where did we go wrongWas it so enlightening we  
couldn't find our way?All so frighteningWe couldn't see  
which move to makeBut you know I'm rightWhen I say  
the best is yet to come

And if you leave me nowLike you say you mightOh  
please don't leave me now'Cause I know, if you doNone  
of this will come true so

Where do we go nowNow your heart is achingAnd  
leading you astrayMe I'm burning upTryin' to get you to  
stay'Cause you know I'm rightWhen I say the best is yet  
to comeAnd you know the best is still to come

And if you leave me nowLike you say you mightOh  
please don't leave me now'Cause I know, if you doNone  
of this will come true, so

Where did we go wrongWe had all the magic to put us  
on our wayAnd all the tragedy, that we ever want to  
seeBut you know I'm rightWhen I say the best is yet to  
comeAnd you know the best is yet to come
