The summer sun is fading as the year grows old  
And darker days are drawing near  
The winter winds will be much colder  
Now you're not here

I watch the birds fly south across the autumn sky  
And one by one they disappear  
I wish that I was flying with them  
Now you're not here

Like the sun through the trees you came to love me  
Like a leaf on a breeze you blew away

Through autumn's golden gown we used to kick our  
way  
You always loved this time of year  
Those fallen leaves lie undisturbed now  
'Cause you're not here  
'Cause you're not here  
'Cause you're not here

Like the sun through the trees you came to love me  
Like a leaf on a breeze you blew away

A gentle rain falls softly on my weary eyes  
As if to hide a lonely tear  
My life will be forever autumn  
'Cause you're not here  
'Cause you're not here  
'Cause you're not here
