Somewhere underneath the floorboards I will sweep my
garden
Underneath the cupboard lived a mouse and he
discovered there was nothing
There
Nothing there
Ere
To discover
Falling from the skies, there are raindrops in my eyes
And my thoughts are digging in the back yard
My roots are grown but I don't know where they are
Don't know where they are
I don't know where they are
My roots are grown but I don't know where they are
Cats and dogs and rooster calls
Telephones in pay phone stalls
They take away, the lonely days
For now
They take away, the lonely days
For now
