Status, humor and pride
How do you think of them
Insane persons chase them and die

Corruption grange spell binding
I rule all of them
I still your fall in soul
And cursed black blood(I call you)

Evil in pure and pride
It?s already what for you
Don?t be raped, don't be invade
Here crimson symphony

War if twilight
Cursed of hell unholy night
Run after you
War of darkness
I play the crimson symphony

What do you find in the madness
What do you find in the madness
Choose road to the advance
Light?s don?t exist on earth

War if twilight
Cursed of hell unholy night
Run after you
War of madness
I play the crimson, crimson symphony
