So far away  
No one else knows my place  
Feel my dream  
Feel my boundless mind

I lost many memories  
I need not be restricted  
Wake up now  
Wake up the time is right

Where is merry place  
Stained with blood

Forever free... Yeah  
Forever floating in light  
My gray, lucid dreams yeah  
Forever

I am floating in endless space  
No more cry and fate  
Feel my dream  
Feel my eternal voice

So far away  
Beyond the cyber future  
Wake up now  
Wake up now

Forever free... Yeah  
Forever a lonely flight  
My bleak, silent screams yeah  
Forever free... Yeah

Were gonna breal down the timeless space

This night time before the delight  
Wake up  
Take my hand  
Feel my dream  
Feel my eternal voice

Fly away in silence  
Dive into the deep infinity  
Wake up now  
Wake up now

Forever free... Yeah  
Forever a lonely flight  
My bleak, silent screams yeah  
Forever free... Yeah
