Put your dreams away for now  
I won't see you for some time  
I am lost in my mind  
I get lost in my mind

Momma once told me  
You're already home where you feel love  
I am lost in my mind  
I get lost in my mind

Oh my brother  
Your wisdom is all that I need  
Oh my brother  
Don't you worry 'bout me  
Don't you worry  
Don't you worry  
Don't worry about me

How's that bricklayin' coming  
How's your engine running  
Is that bridge getting built  
Are your hands getting filled

Won't you tell me my brother  
Cause there are stars up above  
We can start moving forward

How's that bricklayin' coming  
How's your engine running  
Is that bridge getting built  
Are your hands getting filled

Won't you tell me my brother  
Cause there are stars up above  
We can start moving forward

Lost in my mind  
Lost in my mind  
Oh I get Lost in my mind  
Lost, I get lost, I get lost in my mind  
Lost in my mind  
Yes I get lost in my mind  
Lost, I get lost, I get lost  
Oh I get lost  
Oh I get
