In the mirror see a stranger  
I know she ain't the same, say love will never change  
me  
My heart's wondering, I'm hopeless, faraway from  
home  
Caught up in a maze I don't know which way to go  
You got me so lost and I can't lie  
I know where it is and I know my heart will never stop  
beating  
But somehow you got it going...

Somebody give me a map  
Think I need directions to navigate love I think that I'm  
lost oh  
You set me on a trip  
Baby now I can't find the right road  
But I'm happy to be lost in you  
All I see is you cos I'm lost, lost  
And I'm so confused cos I'm lost, lost  
Tryna find my way cos I'm lost, lost  
(?)

You got my heart I can't control it  
Sign your name on it and let the world know it belongs  
to you  
When I wake up in the morning  
I don't know where I'm going  
I just wanna spend my time next to you oh  
You got me so lost and I can't lie  
I know where it is and I know my heart will never stop  
beating  
But somehow you got it going...

Somebody give me a map  
Think I need directions to navigate love I think that I'm  
lost oh  
You set me on a trip  
Baby now I can't find the right road  
But I'm happy to be lost in you  
All I see is you cos I'm lost, lost  
And I'm so confused cos I'm lost, lost

Tryna find my way cos I'm lost, lost  
(?)

You're the one I choose  
I just wanna please you everything I do  
You're everything and everything is you  
Don't want nobody to save me cos I don't mind being  
lost in you  
You, you, you...  
You, don't want nobody to save me cos I don't mind  
being lost in you

Somebody give me a map  
Think I need directions to navigate love I think that I'm  
lost oh  
You set me on a trip  
Baby now I can't find the right road  
But I'm happy to be lost in you  
All I see is you cos I'm lost, lost  
And I'm so confused cos I'm lost, lost  
Tryna find my way cos I'm lost, lost  
(?)
