Wake up on my own and i wonder where i am  
My mind begins to clear and i begin to understand  
Today i am in phoenix so im feeling preety low  
Would you like to skip the afternoon and get right to  
the show  
Cause i live to rock  
Rock alright  
Just don't care  
What's wrong or right  
Living Loud  
Living Free  
You and me  
The Mad Motherfuckers  
I've been rolling i've been moving all night long  
I've been to so many places i don't know where i belong  
I'd like to say this one thing and it's in my only fans  
Right here, right now it's the only place that i can make  
some sense  
Cause i live to rock  
Rock alright  
Just don't care  
What's wrong or right  
Living Loud  
Living Free  
You and me  
The Mad Motherfuckers  
It looks like Motherfuckers R Us tonight  
Right over here  
We've got the Crazy MotherFuckers  
Right over there  
We've got the wild motherfuckers  
Right over here  
We've got the insane motherfuckers!!!!  
Yeah!!!  
And we live to rock  
Rock alright  
Just don't care  
What's wrong or right  
Living Loud  
Living Free  
You and me
