I guess it felt a little bit better when we were still  
arguing about it  
Cause in the words I could still hear love  
Somebody still cared  
And I would rather sleep on the sofa as long as you're  
still in our bed  
At least I'm sure that you're at home and you ever left  
me yeah

You said you know my heart is good  
But you'd hate me if you could  
If I would allow you to you would  
You could, you should but don't

Try to leave me  
Try to stay  
Giving up  
Is harder baby  
Don't try don't try  
Don't try to leave girl  
Try to stay  
Try, try

It's breaking my heart to see you there  
Sickening I hate standing at that station  
It's a picture that I don't wanna frame  
Tears in your eyes  
Love dejects your side

You said you know my heart is good  
But you'd hate me if you could  
If I would allow you to you would  
You could, you should but don't

Try to leave me  
Try to stay  
Giving up  
Is harder baby  
Don't try don't try  
Don't try to leave girl  
Try to stay

Try

You ain't gotta work too hard  
Tryna break my heart  
But don't try, don't try, don't try  
You ain't gotta work too hard  
Trying to move on ohh oh  
Try to stay  
Try to think

Don't try to leave me  
Try to stay  
Giving up  
Is harder baby  
Don't try don't try  
Don't try to leave girl  
Try to stay  
Try  
Try, try  
Just try
