I believe jehovah jireh  
I believe there's heaven  
I believe in war  
I believe a woman's temple  
Gives her the right to choose  
But baby don't abort  
I believe that marriage isn't  
Between a man & woman  
But between love and love  
And I believe you when you say that  
You've lost all faith  
But you must believe in something  
Something something  
You gotta believe in something  
Something something

I still believe in man  
A wise one asked me why  
Cause I just don't believe we're wicked  
I know that we sin but I do believe we try  
We all try  
The girls try  
The boys try  
Women try  
Men try  
You and I  
Try try we all try

I don't believe in time travel  
I don't believe our nation's flag is on the moon  
I don't believe our lives are simple  
And I don't believe they're short  
This is interlude  
I don't believe my hands are cleanly  
Can't believe that you would  
Let me touch your heart  
She didn't believe me when I said that  
I lost my faith  
Said you must believe in something  
Something something  
You gotta believe in something

Something something

I still believe in man  
A wise one asked me why  
Cause I just don't believe we're wicked  
I know that we sin but I do believe we try  
We all try  
The girls try  
The boys try  
Women try  
Men try  
You and I  
Try try we all try
