well, sometimes I feel old  
can't do the things I used to  
'cause I feel old

sometimes I feel old (4x)  
can't do the things I used to  
'cause I feel old

remember the day, baby  
that's passed and gone  
said I could love you  
once in a time  
nothing has changed  
but I feel old

can't do the things I used to  
'cause I feel old

I don't look like I used to  
I don't walk like I used to  
I don't love like I used to, oh  
but I feel old

can't do the things  
I can't do the things I used to  
'cause I feel old
