"Done Got Old"

well, sometimes I feel old
can't do the things I used to
'cause I feel old

sometimes I feel old (4x)
can't do the things I used to
'cause I feel old

remember the day, baby
that's passed and gone
said I could love you
once in a time
nothing has changed
but I feel old

can't do the things I used to
'cause I feel old

I don't look like I used to
I don't walk like I used to
I don't love like I used to, oh
but I feel old

can't do the things
I can't do the things I used to
'cause I feel old
