Oh I know this feeling
From where we've been
No summer season start again
But it isn't top stranger and familiar land
And starting to be candle again

I ain't got this feeling in my heart
I love you like no other
I ain't got this feeling in my heart
Though.

Late in the night
Late in the night
Late in the night

Oh I know this feeling
It's on my mind
Every each other feeling candle light
And this echo through my mind
All this echo is through my mind

Oh I love this feeling in my heart
I love you like no other
I love this feeling in my other
No loving.

Late in the night
Late in the night
Late int he night

I know how much you were my mind
Oh I .on my mind
Oh I .of my mind
Oh I nutch you of my mind
Oh I nutch you of my mind
Oh oh ohh, ohh ohh
