You are a long way from home  
You've got a long way to go  
I know you've got nothing to say  
I know it's better this way  
But I see you drifting away

You don't know what it feels like  
To be alone  
You don't know how it feels  
To be on your own

You've come a long way you know  
But there is a long way to go  
I know you've got nothing to say  
I know it's better this way  
But I see you drifting away

You don't know what it feels like  
To be alone  
You don't know how it feels  
To be on your own

I know it's nothing to say  
I know it's better this way  
But I see you drifting away!

You don't know what it feels like to be alone  
You don't know how it feels to be on your own  
You don't know what it feels like to have no one  
know  
You don't know what it feels like to be loved  
To be loved
