Verse 1:

I miss you there so lonely, I can't forget
all memories we've had
through the best time, through the worst time
we smiling we crying we loving together

verse 2:

Sometimes I'm fallin, crying for you
when you're not here, when you leave me
I'm crying I'm lying I'm dying just for you

bridge:

but... it was all I do
just to say how much I love you, and how much I good
for you
but... it was all I do
just to say how much I need you
'cause I'm here for you

reff:

how can my feel, far away from you
if I can't breathe, without you in my life
it so hard to prove my love
and hold you save with me, tonight
and show to the world that I'm the best for you

bridge:

but... it was all I do
just to say how much I love you, and how much I good
for you
but... it was all I do
just to say how much I need you
'cause I'm here for you

reff:

how can my feel, far away from you
if I can't breathe, without you in my life
it so hard to prove my love
and hold you save with me, tonight
and show to the world that I'm the best for you

it so hard to prove my love

and hold you save with me, tonight
and show to the world that I'm the best for you
