Cry love
Cry war
Cry innocence
That is lost forever more
Cry joy
Cry thief
Cry beautiful
That is just beyond belief
So I...

Cry at the end
Cry cause it all begins again
Here you are,
And so am I
And we cry

Cry alone,
Cry to me
Cry freedom
Then let yourself be free
To shed the tears
That have to flow
To hold somebody close to you
And then to let them go

Cry at the end
Cry cause it all begins again
Here you are
And so am I
And we cry

(Instrumental Break)

Cry peace
Cry hate
Cry faithlessness
Then just have a little faith

Cry at the end
Cry cause it all begins again
Here you are

And so am I
And we try to be true
Try cause we're only passing through

Here you are
And so am I
And we cry
Cry love
Cry war
Cry inosence
But it's lost forever more
