"Fly"

In a moment everything can change
Feel the wind on your shoulder
For a minute all the world can wait
Let go of your yesterday

Can you hear it calling?
Can you feel it in your soul?
Can you trust this longing and take control?

[CHORUS]

Fly
Open up the part of you that wants to hide away
You can shine
Forget about the reasons why you can't in life
And start to try
'Cause it's your time
Time to fly

All your worries, leave them somewhere else
Find a dream you can follow
Reach for something when there's nothing left
And the world's feeling hollow

Can you hear it calling?
Can you feel it in your soul?
Can you trust this longing and take control?

[CHORUS]

Fly
Open up the part of you that wants to hide away
You can shine
Forget about the reasons why you can't in life
And start to try
'Cause it's your time
Time to fly

And when you're down and feel alone,
Just want to run away
Trust yourself and don't give up
You know you better than anyone else

In a moment everything can change
Feel the wind on your shoulder
For a minute all the world can wait
Let go of yesterday

[CHORUS]

Fly
Open up the part of you that wants to hide away
You can shine
Forget about the reasons why you can't in life
And start to try
Fly
Forget about the reasons why you can't in life
And start to try
'cause it's your time
Time to fly

In a moment, everything can change
