I found myself today
Oh I found myself and ran away
But something pulled me back
the voice of reason, I forgot i had
All I know is you?re not here to say
What you always used to say
But it?s written in the sky tonight

Refr?o
So I won?t give up no I won?t break down
Sooner than it seems life turns around
And I will be strong
Even if it all goes wrong
When I?m stading in the dark, I?ll still believe
Someone?s watching over me

I?ve seen that bright light
And i?ts shining on my destiny
Shining all the time, and I won?t be afraid
To follow everywhere it?s taking me
All I know is yesterday is gone
And right now I belong
To this moment, to my dreams
(Refr?o)

It doesn?t matter what people say
And it doesn?t matter how long it takes
Believe in yourself and you?ll fly high
And it only matters how true you are
Be true yourself and follow your heart
(Ref?o 2x)
