v.1

Light in my darkness

Peace for my soul

You are my rescue

You've never let go

Chorus:

All my hope ... is in You

All my strength ... is in You

With every breath, my soul will rest in You

v.2

Here in my weakness

Always the same

Your love is my shelter

Your life is my way

Chorus:

All my hope ... is in You

All my strength ... is in You

With every breath, my soul will rest in You (repeat)

Bridge:

Constant Savior

Friend forever

Lord You have my heart

Sure foundation

Never failing

Lord, You have my heart (repeat)

Sure foundation

Never failing

Lord, You have my heart

chorus 2:

All my hope... is in You

All my strength... is in You

With every breath my soul will rest in You

All the earth ...beneath You

All my life .....before You

With every breath my soul will rest in You

With every breath my soul will rest in You

With every breath my soul will rest in You
