Outside the city walls  
On a wooden cross  
A light in the darkness  
Bleeding from Your hands  
Flowing from Your side  
A river of mercy  
A river of mercy

Your love so great  
Higher than the stars  
Unfailing love  
Deeper than the sea  
Your love so sure  
Stronger than the mountains  
Oh Your love  
It's everything to me  
How deep how wide how long how high

Thorns that made a crown  
Forgiveness falling down  
Your wounds are the healing  
The earth began to move  
And all of heaven knew  
Death was defeated  
And all because of You Jesus

Your love so high  
Your love so high  
Your love so high
