Was it you in the shadows?  
I've got to get this right  
Walking away  
With your arms folded tight

Hits from the start, shakin' it  
Hits from the start

How can I promise  
I'll never let you down?  
Put one word on me  
I'm not the new man in town

Hits from the start, shakin' it  
Hits from the start

Oh, that's so not the way  
You should look at it  
The effort in art, comes from the heart  
A place that's blood red and hits from the start

Hits from the start, shakin' it  
Hits from the start

Hits from the start, shakin' it  
Hits from the start

Mister mister  
Draw me that picture  
Put your suit and tie on  
And pour yourself a glass of wine

Hits from the start, shakin' it  
Hits from the start

You're in buyers' hands  
You can't really lose  
Just the dough you spent  
And all the paint you use

Hits from the start, shakin' it  
Hits from the start

Oh, that's so not the way  
You should look at it  
The effort in art, comes from the heart  
A place that's blood red and hits from the start

Hits from the start  
Hits from the start

Hits from the start  
The start
