This little girl has nightmares almost every night
Some of the girls in her high school telling her she
ainâ€™t right
She dresses like a boy; itâ€™s how sheâ€™s always
felt
But because sheâ€™s a little bit different theyâ€™re
putting her through hell
Through hell, theyâ€™re putting her through hell

This little boy likes makeup, but only in his room
He is afraid, he is ashamed, thinking what if they knew
Heâ€™s still in the closet, but the other boys can tell
In the hall, in the yard, in the locker room, theyâ€™re
putting him through hell
Through hell, theyâ€™re putting him through hell

Iâ€™m a freak, youâ€™re a freak, heâ€™s a freak,
sheâ€™s a freak, itâ€™s a freak
And it really donâ€™t matter
If a girl do a boy do a boy do a boy do a girl do a girl do
a boy

Freak tonight
Do you wanna do you, do you wanna, do you, wanna
wanna
Freak tonight
B-b-b-be yourself b-b-b-be yourself, if you wanna
wanna
Do your girl, do your boy
Lets all freak tonight

That little boy and girl are getting down tonight
With every other damn freak in the freakinâ€™ world,
no weâ€™re not gonna hide
Weâ€™re takinâ€™ this bitch over, time for show and
tell
In the club, in the street, no matter where we be,
weâ€™re gonna be ourselves

Iâ€™m a freak, youâ€™re a freak, heâ€™s a freak,
sheâ€™s a freak, itâ€™s a freak
And it really donâ€™t matter

If a girl do a boy do a boy do a boy do a girl do a girl do
a boy

Freak tonight
Do you wanna do you, do you wanna, do you, wanna
wanna
Freak tonight
B-b-b-be yourself b-b-b-be yourself, if you wanna
wanna
Do your girl, do your boy
Lets all freak tonight

Weâ€™re here, no fear, what are you gonna do about
it
Here, donâ€™t fear, what are you gonna do

Freak tonight
Do you wanna do you, do you wanna, do you, wanna
wanna
Freak tonight
B-b-b-be yourself b-b-b-be yourself, if you wanna
wanna
Do your girl, do your boy
Lets all freak tonight
