I like to get crazy
I only go too far sometimes
I drink my gin with a little bit of lime
These are things youâ€™ve got to know, youâ€™ve got to know

I only get nasty
If you push me too far
Is it hard to tell me where you are
These are things Iâ€™ve got to know, Iâ€™ve got to know

Or Iâ€™ll be driving by your house when youâ€™re not home
Never thought Iâ€™d be that girl till you came along
Oh...

I never thought that I could be this twisted
When I get around you it just shows
Ooh I am twisted, hey
Donâ€™t you know that you got me twisted
Yeah I go and get all out of control
Bet you didnâ€™t know I was twisted
Well now you know

Yeah I play with matches
I need the thrill of starting fires
And I like the feel of scars
Hey I thought youâ€™d understand, youâ€™d understand

You told me forever
Or I know thatâ€™s what you meant
So you best show me respect
I donâ€™t wanna have to cut another man

I will lose my grip and spin out of control
I donâ€™t wanna be that girl, boy you came along
And you make me

I never thought that I could be this twisted
When I get around you it just shows

Ooh I am twisted, hey
Don't you know that you got me twisted
Yeah I go and get all out of control
Bet you didn't know I was twisted
Well now you know

I will try my best to fix myself just
Stay with me I need your help don't
Go away or I'll show you just how far my love can
go

I never thought that I could be this twisted
When I get around you it just shows
Ooh I am twisted, hey
Don't you know that you got me twisted
Yeah I go and get all out of control
Bet you didn't know I was twisted
Well now you know
