(Verse)

I don't got much to say but that I love you anyway  
We all have those times in our lives  
when we really wanna believe the lies  
It really hurt me when you thought I wasn't perfect  
but I'm sorry I can't give you everything  
Just because your life's not like mine  
Doesn't mean I have more than you, more than you

(Chorus)

So I love you anyway, anyway  
I love you anyway  
I love you anyway

(Verse)

I will remember all the times we shared together  
and I will remember all the tears that fell from my eyes  
Seventy minutes on the phone is a long time  
but God has a reason for you to be in my life

(Chorus)

(Bridge)

There will be times I remember the things that you did  
to me  
But I will move on and leave that for my history

(Chorus)
