My Cry

(verse)

I lay it all before you now
I'm breaking down
I'm crying out
I need Your grace
I need Your help, Oh Lord

(pre-chorus)

I'm just trying to live for You Father
I'm just dying to live for You Father

(chorus)

Oh Lord what can I do
I just wanna serve You
I just wanna see You glorified
Oh Lord what can I say
I just wanna serve You
Please take my life
This is my cry
This is my cry

(verse)

I will not stay here anymore
I'm not the way
I was before
I need Your strength
I need Your help, Oh Lord

(bridge)

Oh, take my hands
take this voice, use them
Oh, take my life written on Your hands
