What Is Love

(verse)

The phone rang today
I let it ring and ring and ring
I was trying to sleep
You interrupted me
I didn't want to pick up
I let it go through the routine
But I'm caught in the in between

(chorus)

What is love
if it's locked up in this house
What is love
if it's locked up in my mouth
I'm finished holding the key
I'm breaking open the door
I'm done with fighting the war
I've chosen to ignore
What is Love

(verse)

When I saw the children
I could barely breathe
With all the brokenness staring back at me
I noticed many faces
that couldn't hide their need
But I'm caught in the in between
