With lights low, Candlelight, baby this night show yea  
I want (i want) I want you to take the that off,  
Nice and slow, mistletoe me,  
I just want to see you with your  
Face down, ass up  
Face down, ass up  
Face down, ass up  
Face down, ass up

(Verse1)

I love it when she nipples on her lip,  
Heels on back shots, wiggling her hips,  
She a dime she a dime, Ass fine here a tip  
A freak where the handcuffs, Ky, and whip uh  
Tongue twist, when i hit the right spots,  
Work it like a pro girl, make that ass drop,  
Stick shift with it, 6 gear on top  
Now Ride it ride it ride it don't stop,  
From the kitchen to the bedroom closet,  
I gotta leave soon, But she wanna hog me  
I'm a don, she can tell by the charm,  
Getting hot, pulling on my arm heading in the shower  
Lets get it in, get it in good,  
Telling all her friends how we get it in good uh  
She so loud they call might call police,  
I beat it up, She be calling me king!  
Na' mean?

(chorus)

Baby i can do it like a pro,  
Deep sea dive, tongue knockin' on your door  
E-class 05, back seat we can go  
The windows might fog, but that's all on the low  
Missionary style, getting wild on the floor  
Making both lips smile, be proud when i throw uh  
I take her higher than them paper planes  
I get it wet, Time to make it rain, I'm like a Jet  
When she scream go faster, baby call me master,  
I aint ask her, break that kitty down put a cast on it,  
Father was a pastor, know she was a freak,

Nookie outer space NASA,  
I keep coming back hopping border need a passports  
Want it from back? Baby face down ass up  
According to the facts got her sounding like fire truck  
And I aint gotta lie, but baby got the fire stuff

(chorus)
