I was blessed with the skills to make a bitch feel like  
shit  
I got the traits of a queen so bitch it is what it is  
Tell my enemies remember me as long as they live  
Cause I come through, I fuck shit up  
Then I take your bitch  
Ah, cut the lights out, been fucking with a lame bitch  
right now  
Been battles from the first grade, first time I ever hit a  
bitch face, word  
Excuse my attitude, still a goon gonna do what she have  
to do  
All you hoes like snacks, fuck a diet though  
I eat these rap bitches, stay quiet though

[Hook]

Off with your head, just show me the bread  
Iâ'm laughing at you hoes but I hustle instead  
Off with your head, just show me the bread  
Iâ'm laughing at you hoes but I hustle instead  
Canâ't help it if Iâ'm icy bitch  
Iâ'm just an icy bitch  
Canâ't help it if Iâ'm icy bitch  
Iâ'm just an icy bitch  
Canâ't help it if Iâ'm icy bitch  
Iâ'm just an icy bitch  
Canâ't help it if Iâ'm icy bitch  
Iâ'm just an icy bitch

You weak ass bitch donâ't get from me  
Shout at all my homies running lbc  
From younging to ogâ's, my armrest gold  
You can tell itâ's me  
Warrup with it, competing with a goon girl up with it  
Shit load the gun, hoes copying me  
So I better get a motherfuckin cuff for me  
Iâ'm nice with the flows, I swear I got is some fire  
Prolly sign all you rappers by the time I retire  
From the streets, better show me cheese  
Just show your weed, so original and g  
Follow my lead, youâ'll be sampling me

[Hook]

Off with your head, just show me the bread  
Iâ'm laughing at you hoes but I hustle instead  
Off with your head, just show me the bread  
Iâ'm laughing at you hoes but I hustle instead  
Can't help it if Iâ'm icy bitch  
Iâ'm just an icy bitch  
Can't help it if Iâ'm icy bitch  
Iâ'm just an icy bitch  
Can't help it if Iâ'm icy bitch  
Iâ'm just an icy bitch  
Can't help it if Iâ'm icy bitch  
Iâ'm just an icy bitch
